**STATEMENT ATTACHED TO AND MADE A PART OF FORM 990-PF,
RETURN OF PRIVATE FOUNDATION
FOR THE YEAR ENDED DECEMBER 31, 2024**

PART IX-A – SUMMARY OF DIRECT CHARITABLE ACTIVITIES:

- 1) Launched in 2005, the **Bezos Scholars Program** engages exceptional students and educators from across the U.S. and Africa in a yearlong leadership development program that amplifies youth voice and action. Each June, 30 Scholars begin their experience immersed with renowned leaders at the Aspen Ideas Festival. Scholars continue their leadership development, which culminates in the design and launch of a community change project to make a difference in their hometowns. Scholars also receive free, expert college advising to support their educational goals. Program assessments show that students achieve learning gains equivalent to or higher in leadership and socio-emotional skills than those who have completed a full year of college.
- 2) **Vroom**, a global initiative of the Bezos Family Foundation, provides free, science-based tips and tools to help parents and caregivers turn everyday moments into brain-building opportunities. By taking early brain science out of the lab and putting it in the hands of caregivers, Vroom builds on what caregivers and parents already do well and shows how everyday moments, like bath time or mealtime, can make a big difference in their children's lives. Since 2014, Vroom has grown to support nearly 2,000,000 families in all 50 U.S. states and over 80 countries around the world.
- 3) **Students Rebuild**, created in 2010 by the Bezos Family Foundation, engages K-12 students worldwide to connect, learn and take action on critical global issues. Every year, Students Rebuild allows young people worldwide to explore an issue alongside peers from around the globe and make artwork that the Bezos Family Foundation matches with funds to support community-based organizations serving youth. The program also offers rich learning opportunities and free resources to support student learning. The foundation's operations with respect to Students Rebuild ended in 2024.
